Lester B Pearson Civic Centre Partial Roof Collapse

ELLIOT LAKE - The roof of the Lester B Pearson Civic Centre partially collapsed during the early evening of Thursday, February 21, 2019. No injuries have been reported. Elliot Lake Fire Dept. and Public Works crews were on site within minutes and have secured the scene.

The public is being asked to refrain from accessing the site. The building, housing a 340-seat community theatre, mining museum and various administrative offices will remain closed for the foreseeable future until the City's Chief Building Official and engineers can assess the damage.

No further details are available at this time but updates will be provided when available.
